**FROM PRINCIPAL'S DESK**

A child is an immense reservoir of creativity and talent. Our primary aim is to ensure the holistic development of each student. In our Vidyalaya, our children are encouraged to learn through live experiences, providing them ample opportunity for hands on experience through physical & mental activities. To achieve the aims of NEP 2020 at primary level, our teachers always strive to make learning at school a joyful experience through FLN activities. Good habits & values are inculcated through moral talks in the morning assembly. The inquisitiveness and the spirit of enquiry amongst students are nurtured through meticulously planned teaching. It has been our earnest endeavor to project this newsletter as a showcase of the efforts and achievements of our students.
